Product family datasheet

OSRAM XENARC NIGHT BREAKER UNLIMITED

Brightest OSRAM xenon light

Up to 70 % more light For better visibility and significantly shorter reaction times compared to standard xenon lamps

Up to 20 m longer light beam For improved visibility and less eye strain compared to standard xenon lamps

Up to 5% whiter light For fatigue-free and comfortable driving compared to standard xenon lamps

The most powerful xenon light from OSRAM

XENARC NIGHT BREAKER UNLIMITED is the brightest OSRAM xenon light. This powerful lamp with efficient xenon technology generates a maximum of light on the road: up to 70% more than standard xenon lamps. This means better visibility and more time to react. Added to this is the 20 meter longer light beam and up to 5% whiter light compared to standard xenon headlight lamps. Discover the pure performance of XENARC NIGHT BREAKER UNLIMITED the most powerful xenon light from OSRAM. Please note: XENARC lamp change is recommended to be carried out by a professional.
