## P RF CLAS A 60 7 W/827 E27

PARATHOM Retrofit CLASSIC A | LED světelné zdroje, tvar klasické baňky

Technické údaje

Parametry

|                                                    |            |
|----------------------------------------------------|------------|
| ZLDV_Operating frequency [AGGR]                    | 50...60 Hz |
| ZLDV_Nominal current [AGGR]                        | 38 mA      |
| ZLDV_Claimed equiv. conventional lamp power [AGGR] | 60 W       |

Fotometrické údaje

|                                       |            |
|---------------------------------------|------------|
| ZLDV_Light color (designation) [AGGR] | Warm White |
| ZLDV_Luminous flux [AGGR]             | 806 lm     |

Světelně-technické údaje

|                        |       |
|------------------------|-------|
| ZLDV_Beam angle [AGGR] | 300 ° |
|------------------------|-------|

Rozměry & váha

|                            |           |
|----------------------------|-----------|
| ZLDV_Overall length [AGGR] | 105.00 mm |
| ZLDV_Product weight [AGGR] | 31.00 g   |

Teploty a provozní podmínky

|                                       |              |
|---------------------------------------|--------------|
| ZLDV_Ambient temperature range [AGGR] | -20...+40 °C |
|---------------------------------------|--------------|

Životnost

|                                                      |     |
|------------------------------------------------------|-----|
| ZLDV_Lumen maintenance at end of service life [AGGR] | 0.7 |
|------------------------------------------------------|-----|

Další údaje o produktu

|                                         |        |
|-----------------------------------------|--------|
| ZLDV_Mercury content [AGGR]             | 0.0 mg |
| ZLDV_Mercury-free [AGGR]                | Yes    |
| ZLDV_Design / version [AGGR]            | Clear  |
| Likvidace dle směrnice o elektro-odpadu | Ano    |

Technický list výrobku

|                            |                                                                                                                                                                                                                                                                                                                                                 |
|----------------------------|-------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| ZLDV_Product remark [AGGR] | All technical parameters apply to the entire lamp  <br>Due to the complex production process for light-emitting diodes, the typical values shown for the technical LED parameters are purely statistical values that do not necessarily match the actual technical parameters of each individual product, which can vary from the typical value |
| Doporučená náhrada EAN     | 4008321212078                                                                                                                                                                                                                                                                                                                                   |

Certifikáty & standardy

|                                     |                |
|-------------------------------------|----------------|
| ZLDV_Energy efficiency class [AGGR] | E              |
| ZLDV_Energy consumption [AGGR]      | 7.00 kWh/1000h |

Environmental information

| Information according Art. 33 of EU Regulation (EC) 1907/2006 (REACH) |               |
|-----------------------------------------------------------------------|---------------|
| Date of Declaration                                                   | 08-07-2022    |
| Primary Article Identifier                                            | 4058075592032 |
| Declaration No. in SCIP database                                      | In work       |

Ecodesign regulation information:

Separate control gear and light sources must be disposed of at certified disposal companies in accordance with Directive 2012/19/EU (WEEE) in the EU and with Waste Electrical and Electronic Equipment (WEEE) Regulations 2013 in the UK. For this purpose, collection points for recycling centres and take-back systems (CRSO) are available from retailers or private disposal companies, which accept separate control gear and light sources free of charge. In this way, raw materials are conserved and materials are recycled.

Logistické údaje

| Kód výrobku   | Popis výrobku              | Jednotka balení (kusy/jednotku)                     | Rozměry (délka x šířka x výška) | Objem                | Hrubá hmotnost |
|---------------|----------------------------|-----------------------------------------------------|---------------------------------|----------------------|----------------|
| 4058075592032 | P RF CLAS A 60 7 W/827 E27 | Shipping carton box<br>10 Pieces Folding carton box | 315 mm x 131 mm x 126 mm        | 5.20 dm <sup>3</sup> | 544.00 g       |

Zmíněný produktový kód udává nejmenší jednotku množství, kterou lze objednat. Jednotka balení může obsahovat jeden nebo více samostatných produktů. Při objednávání zadávejte jednotky balení nebo násobky jednotek balení.

Vyloučení odpovědnosti

Subject to change without notice. Errors and omission excepted. Always make sure to use the most recent release.
