## **OSRAM**

# LEDinspect FLEXIBLE INSPECTION LIGHT

Fully flexible under bonnet inspection light

Place light exactly where you need it, even in tight spaces

**Bright light output** 

Choose between 1000, 400 and 100 lumens output or red light for use at the rear of a vehicle

Long lasting battery life

Experience up to 3 hours (on high), 6.5 hours (on medium) and 20+ hours (on low) battery life. Recharging is easy thanks to the USB-C port.

Versatile fitting options

Features removable elasticated hooks and strong magnetic connections

Inspection lights are a vital part of any professional's toolbox. Under bonnet lamps provide bright light over a wide area to enable professionals to work with maximum visibility.

The LEDinspect FLEXIBLE INSPECTION LIGHT allows users to place light exactly where it is required. Our most versatile inspection light, it features removable elastic straps that allow the light to be fitted to areas as wide as 2.1m. The light strip is fully flexible, allowing the light to bend around the workspace. The rotating ends feature strong magnetic connections and USB-C charging.
