

LEDinspect TELESCOPIC 270

Inspection lights

270 Lumen

Delivers up to 270 lumens of bright light for clear visibility in dark spaces

Magnet base & rotatable hook

Versatile mounting options

2 in 1 Torch function

Inspection light and Torchlight function

2 Year OSRAM Guarantee*

Systematic quality assurance measures underpin the premium workmanship and functionality of our products. Innovative technology and excellent quality really pay dividends for our customers

Light is versatile

Stay prepared wherever you go with the OSRAM LEDinspect TELESCOPIC 270 Rechargeable Inspection Lamp & Torch, a compact yet powerful lighting tool designed for both professional and everyday use. Delivering up to 270 lumens of bright white light, it combines flexibility, portability, and hands-free operation for maximum convenience.

Whether you're working under the bonnet, camping outdoors, or tackling a DIY task, the OSRAM LEDIL419 is built to perform. The telescopic body allows you to quickly adjust the length and focus light exactly where it's needed, while the strong magnetic base keeps both hands free for the job at hand.

Product family datasheet

Technical data

	Product information	General Product Information	Electrical Data	
Product description	Application (Category and Product specific)	Global order reference	Nominal wattage	Nominal voltage
INSPECTION LAMP	LED inspection lights	LEDIL419	2 W	3.7 V
	Photometric Data			Physical Attributes & Dimensions
Product description	Color temperature	Nominal luminous flux	Light color LED	Length
INSPECTION LAMP	6500 K	270 lm	White	33.0 mm
				LED module information
Product description	Width	Height	Product weight	Number of LEDs per module
INSPECTION LAMP	43.0 mm	193.0 mm	202.00 g	2
	Colors & materials	Lifetime Data	Additional product data	
Product description	Base color	Guarantee	Type of Battery	Number of included batteries
INSPECTION LAMP	Black / Orange	2 years	Rechargeable	1
	Capabilities	Logistical data	Environmental & Regulatory Information according Art. 33 of EU Regulation (EC) 1907/2006 (REACH)	
Product description	Technology	Watt hour per battery	Declaration no. in SCIP database	
INSPECTION LAMP	LED	6.66	In work
