# LEDriving ERROR CANCELER

Accessories for LED retrofit lamps

Error message free Bypasses the vehicle's error detection

Flicker-free Prevents additional irritating flashing of the LED lamps

3-year OSRAM Guarantee<sup>2)</sup>

Systematic quality assurance measures underpin the premium workmanship and functionality of our products. Innovative technology and excellent quality really pay dividends for our customers.

OSRAM

Two Error canceler in one box

#### Convert from halogen to LED with original OSRAM accessories

Some vehicles report a malfunction in the exterior lighting when LED lamps are used. With the new OSRAM LEDriving ERROR CANCELER LED EC02, potential error messages in the on-board system are avoided. These error messages can occur when converting from traditional halogen lamps to LED lamps as these have a lower current consumption than e.g. halogen lamps and thus activate the vehicle's existing error detection mechanism. Furthermore, OSRAM's new and improved LEDriving ERROR CANCELER LED EC02 prevents irritating LED lamp flashing. It is suitable for 12V H7 LED lamps for high and low beam. In addition, OSRAM offers a three-year OSRAM guarantee<sup>2)</sup> on all accessories in the LEDriving series. Only the combination of OSRAM LED lamps in conjunction with the official OSRAM accessories - LEDriving ADAPTER, LEDriving SMART CANBUS, LEDriving CAPs and LEDriving ERROR CANCELER is approved for the operation of our LED lamps. Details, in particular on the combination of OSRAM accessories and the street-legal<sup>1)</sup> NIGHT BREAKER LED and TRUCKSTAR LED lamps, can be found on the respective product pages under: NIGHT BREAKER LED Kompatibilitätslisten | Automotive (osram.de)

## Product family datasheet

#### Technical data

	Product information		General Product Information		Electrical Data		Lifetime Data	
Product description	Application (Category and Product specific)		Global order reference		Nominal wattage		Lifespan B3	Lifespan Tc
LEDriving ERROR CANCELER LEDEC02-2HB	Accessories for retrofits	r LED	LEDEC02-2H	В	1.00 W		2500 hr	2500 hr
	Capabilities	Environmental & Regulatory Information Information according Art. 33 of EU Regulation (EC) 1907/2006 (REACh)						
Product description	Technology	Primary identifi	y article er	Candida substar			ce	
LEDriving ERROR CANCELER LEDEC02-2HB	LED accessories	406217	2383721	Lead		7439-9	2-1	

Product description	Safe use instruction	Declaration no. in SCIP database
LEDriving ERROR CANCELER	The identification of	bdd31784-c584-
LEDEC02-2HB	the Candidate List	41b0-b49e-
	substance is	e218e7d29151
	sufficient to allow	
	safe use of the	
	article.
