Flush mount WL VX100-FL

Flood Beam Pattern

For a wide and broad light distribution

Up to 45 m long beam

See and be seen with OSRAM

Robust and vibration resistant Specially designed for demanding work environments and rough offroad terrain

OSRAM

IP & IK protection classes

Tested and validated in a DINcertified environmental simulation laboratory regarding extreme external influences

Powerful LED working lights

Equipped with a shatterproof polycarbonate lens and aluminum die-cast housing, the LEDriving Flush Mount WL VX100-FL is robust and vibration resistant to withstand the harshest conditions. It has been tested and validated with

Product family datasheet | Flush mount WL VX100-FL © 2025, OSRAM GmbH. All rights reserved.

the highest IP-Protection Classes IP6K8 & IP6K9K in our DIN certified environmental simulation laboratory for extreme external influences regarding water, dust, impacts, heat, cold and permanent vibration. In addition, OSRAM provides a 2-year guarantee on the product²⁾.

1) Additional working lights without ECE approval for use as work lights are approved for use on any vehicle according to German Road Traffic Licensing Regulations (StVZO) §52 (7). However, they must not be used and switched on while driving. In addition, individual special regulations, and laws of countries outside Germany must be observed.
